What's Happening in Second Grade

Reading - We will begin lesson one in our WONDERS Anthology. Our anchor text is Big, Red Lollipop and it's genre is realistic fiction. For our learning goal, we will apply strategies and skills to read realistic fiction. Our focus in Grammar will be on sentences that are statements and ones that are questions.

We will blend phonemes (putting sounds together to make a word), segment words into phonemes (separating a word into the sounds we hear) and substitute phonemes (changing the first sound in a word to make a new word). We will identify, build, decode, and spell words with short vowels a, i, o

Spelling Words: has, wag, bad, six, will, sat, had, fix, him, if (10 words)

Challenge words: chips, flash

Our first spelling test will be next Friday, 9/19

Math - Time will be spent reviewing addition and subtraction facts as we begin chapter one. We will learn about the commutative property ($5+8$ and $8+5$) and using a number line to help us add.

Religion - Students will learn that the simple act of making the Sign of the Cross is a very short, meaningful prayer.
