What's Happening in Second Grade

February is Black History Month

Reading - In the next text set, Many Ways to Enjoy Music, we will explore the Essential Question: 'How do you express yourself?' We will read about how people express themselves through music. Our paired selection, entitled A Musical Museum, invites students to compare the two expository texts.

Language Arts - Students will write about their Catholic Schools Week while applying their writing skills learned in class. We will continue to work with past, present, and future tense verbs.

Spelling words: long /u/ cube, fumes, huge, music, unit, menu, few, pew, fuel, cues
Challenge words: rescue, continue

Math - This week we move onto our next math chapter, 'Money.' Students will review how to identify coins by their shape and what is imprinted on them. 🌐

Social Studies - As part of Black History Month, this week, we will read a passage about Harriet Tubman and the Underground Railroad. We will also work in our map booklets.

Religion - This week, we will learn about the 7 sacraments of the Catholic Church and how they are a visible sign of God's Grace.
