

2A Weekly News

Information / Reminders

- ◆ We are off to a wonderful start. The students are listening and following directions. What a kind group of second graders! 🥰
- ◆ If you haven't already done so, please send in your child's Summer Reading and Math Challenge packets and the Student Profile.

What's Happening in Second Grade

Reading - We will begin Lesson One in our Journeys Anthology. We will apply our target skill, Sequence of Events, while reading the story *Henry and Mudge*. 🐾 By the end of the week, we will compare this piece of realistic fiction with a short informative text called *All in the Family* about animals. In addition to reading these stories, we will review the short vowel sounds A and I.

Math - Time will be spent reviewing addition and subtraction facts as we begin chapter one. We will learn about commutative properties (5+8 and 8+5) and using a number line to help us add.

Language Arts - Our focus this week will be working on handwriting skills. We will discuss the importance of using our neatest handwriting on every assignment. We will work on directionality as well as letter formation and proper use of the lines. We will also read the book 'How to be a Bucket Filler' which teaches the importance of filling other people's buckets with kind words and how not to be a bucket dipper! 🪣

Poem of the Week - *Me Stew*

Religion - Students will learn that the simple act of making the Sign of the Cross is a very short, meaningful prayer. We will also begin our Student Learning Expectation (SLE's) booklets as we illustrate what it means to be a safe, respectful and responsible student at Holy Rosary.

Homework -

Tuesday	Enjoy time with your family! Ask your child to share something about their day.
Wednesday	Read a book for 20 minutes
Thursday	Students will share what they learned about the Sign of the Cross
