

2A Weekly News

Information / Reminders

- * Rachael is our 'Star' this week.
- * Please return the Mid-Trimester Report Card envelope if you haven't already.
- * Thank you to Zahra's mom for providing a game and goody bags for our Halloween Celebration! The children loved it!
- * Please continue sending in materials for the student's habitat structures. The sheet was sent home last week, however, it is also posted in Google Classroom under 'Resources'. It is titled 'Animal STEM Project'.
- * Please see your child's folder for information about participating in a food drive for our Holy Rosary St. Vincent de Paul food pantry.

What's Happening in Second Grade

Reading - Our target skill this week is Main Idea and Supporting Details. We will use the strategy of visualizing. This skill helps us picture what the author is telling us. We will practice visualizing while reading our group story 'Super Storms' 🌩️ and poems about weather. We will also practicing making a singular noun plural.

Language Arts - Students will start the week by writing about their Halloween while focusing on writing sentences with capital letters, end marks and adjectives.

Spelling words - (words with th, sh, wh, ch) thin, these, dish, flash, white, while, chest, chase, catch, witch Challenge words - Veteran, weather

Poem of the Week - 'Veteran's Day' 🇺🇸

Math - We begin the chapter titled, 'Place Value up to 1000.' Students will review hundreds, tens and ones using the base-ten blocks. We will learn how to identify the value of a digit in a 2-3 digit number (ex: 257 - the value of the underlined digit is 50).

Religion - We will finish our Liturgical calendar. We will review what we have learned by playing a game of Jeopardy using the Smartboard. Tuesday and Wednesday's homework is to share their calendar with you and prepare for the test they will take at the end of the week. A study guide will be sent home.

Social Studies - Students will learn about the branches of the military and why we honor the Veterans who have served our country.

Science - The second grade scientists will research their self-selected animal using the San Diego Zoo website to learn about their offspring, what they eat and their habitat. They will begin engineering their structure this week! 🏗️

Homework

- Monday - Create a card for those we serve through our St. Vincent de Paul food pantry
- Tuesday - Study for the Liturgical calendar test
- Wednesday - Study for the Liturgical calendar test
- Thursday - Instead of book bags tonight, students will read a Veteran's Day book on Seesaw and create a Veteran's Day Star
