## What's Happening in Second Grade

Reading - We will define what a folktale is and then read a story titled 'How Chipmunk Got his Stripes.' 🐿️ Understanding character is our target skill.

Language Arts/Religion - The students have been writing their Thanksgiving poem/prayer. I am in the process of meeting with each student to edit their writing. Students will then write their final copy. Your child's prayer will be shared with you at conference time. ❤️

Poem of the Week - 'Animals Need a Safe Place' 🐱

Spelling words - (words with the suffixes -ed and -ing) liked, closed, baked, chased, spilled, using, riding, making, hiding, hoping

Challenge words - grateful, November

Math - We will practice how to write numbers in different ways (expanded form, base-ten blocks, and in words). Students will review how to use a greater than, less than and equal sign while comparing numbers up to 1000.

Science - The students continue working on their animal habitats. Our goal is to finish by the end of the week. We will also spend time reviewing the concepts we have learned about animals and then take a short test.
